Program includes trends and support on your secure Livongo account and mobile app but does not include a phone, tablet or smartwatch.

To enroll in Livongo, you must opt in to at least one program that your plan sponsor offers as a health benefit. You must also meet the health criteria for each program you wish to enroll in. If a Livongo program is not offered by your plan sponsor, or if you do not meet the specific health criteria of that program, you will not be able to enroll.
