

TAKING THE WORRY OUT OF WORLD TRAVEL

Whenever you travel internationally for any reason, your employer has you covered. You have **Blue Cross Blue Shield Global Traveler Companion** as part of your benefits, so you are protected if you need medical care when you are outside the U.S.*

Keep this card with you when you travel internationally, because you never know when you may need it. International healthcare systems can be very different than what you're used to. This program gives you 24/7/365 support and mobile tools that help you stay connected so there are no worries or "what-ifs" when you travel internationally.

*This benefit is available to you and your dependents if you are enrolled in medical coverage with a Blue Cross® and/or Blue Shield® plan through your employer.

If you or one of your dependents does not have Blue Cross and/or Blue Shield medical coverage, you can purchase an individual travel medical policy at geobluetravelinsurance.com.
